The tuition rates do not fully cover the cost to educate a student at The Academy at St. Joan of Arc. The difference between the actual cost to operate the Academy and the tuition that is collected from each family is subsidized through fundraising and the generous support of our extended community. Any donation you make beyond the tuition fee (toward the actual cost) is an act of true stewardship and greatly appreciated.

All families are eligible to apply for Tuition Assistance through the FACTS tuition management system.

Families must have an active account in the system before applying for tuition assistance. Scholarships are available for families based on need. Confidential Applications will be reviewed by members of the Executive Board of Directors. Families will be notified individually regarding specific amounts awarded.

Not all applicants are guaranteed assistance.
